

# CATHERSTON SPRINGSTEEN

## PEDIGREE

• **HIS SIRE**, Dutch Dream, is an extremely well bred horse by the Olympic dressage horse Dutch Gold, out of a mare by Donauwind, who sired Los Angeles Olympic Silver Medallist Abdullah. His grandsire, Dutch Gold, was on every British team from 1987 to 1992, including the Seoul Olympics. Dutch Dream carries both dressage and jumping lines in his pedigree and has produced wonderful movers and well as jumpers and eventers.

• **HIS DAM**, Our Spring Fancy, was a Grade B showjumper by the Dutch sire Saks out of Spring Fever, an International Show Jumper and winner of the Queen Elizabeth Cup. She is a proven dam of performance stock, including Catherston Gold Spring (eventer), Catherston Double Spring (dressage and dam of winners), Catherston Spring Edition (advanced dressage) and Catherston Saxaphone (advanced dressage).

Catherston Springsteen has an extraordinary temperament and lovely manners. He is one of the most exciting stallions bred by Catherston Stud; an eye-catching horse with tremendous presence, a beautiful head and neck and bold, expressive, elevated paces. He is developing into a high class dressage stallion and competition horse. He is also a bold and careful jumper. With his breeding, it would not be surprising if his foals are potential show jumpers as well as dressage horses.

## PROGENY

Catherston Springsteen's first foals are now winning in hand, including foal championships at some of England's top shows. See website for pictures.
