

# JADALCO

## PEDIGREE

Jadalco's bloodlines contain the well known sires Cor de la Bryere, Ramiro, Farnese and Ladykiller. Jadalco's dam Ladalca is a Landgraf daughter that has produced five grand prix horses.

## PERFORMANCE

Jadalco began his show jumping career in Australia. He stood at stud and competed on the show circuit for Yetar Springs Holsteiners. In 1998 he was the winner of the Park View Wyong World Cup qualifier Grand Prix of Australia. Shortly thereafter he was purchased and made his move to the United States where he paired up with rider Susie Hutchison. That same year Jadalco and Susie competed in the Los Angeles National World Cup Qualifying Grand Prix. Jadalco later went on to compete in the Amateur division with owner Jenny Mc Laughlin. Jadalco has an athletic jumping style and is extremely kind and forgiving with his rider. His sensible and willing temperament make him an ideal Amateur mount.
